

For Immediate Release

August 31, 2018

iX Cameras Expands Distribution Network

iX Cameras of Woburn, MA and Rochford, UK, a leading developer and manufacturer of high-speed imaging technology, is proud to announce a sales and distribution partnership with Unlimited Imaging Solutions of Gibsonia, PA. Under the terms of the partnership, Unlimited Imaging Solutions becomes the exclusive distributor for iX Cameras in the Central region of the United States.

Jonathan Hatton Director of Business Development for iX Cameras said, "The addition of Andrew and his team at Unlimited Imaging Solutions is a continuation of iX Cameras strategy of partnering with professional organizations to provide the best product knowledge and service to our customers. The Unlimited Imaging Solutions team complements our existing United States sales team, and further expands the iX Cameras brand of high-speed cameras in the US market."

Unlimited Imaging Solutions will be selling and providing support for the iX Cameras brand of i-SPEED cameras and software products in the following states: MO, Southern IL, IN, OH, WV, MI and Western PA.

About iX Cameras

iX Cameras is a world- leading technology and product company specializing in the field of high-speed (slow motion) imaging. Based on proprietary innovative technologies, we design, build and sell cutting-edge ultra-fast cameras and software for a wide range of advanced scientific research applications. The company is a wholly-owned spinoff of the heralded Olympus industrial division, combining the acumen of the engineering visionaries from Olympus with a new team of industry veterans, continues to innovate state-of-the-art i-SPEED cameras under the iX Cameras name. Sales, service and support of all i-SPEED camera models can be obtained from regional offices located in the United States, United Kingdom, China and India.
