iX Cameras China

To continue our growth and support of the Chinese market, iX Cameras will partner with our distributors in a marketing program focused on supporting our customer base and educating the marketplace about iX Cameras.

The program will consist of customized campaigns, overall general awareness, and academic conferences and symposia featuring customer application case studies, and latest updates on the i-SPEED brand of high-speed cameras and software.

Here is a list of the upcoming conferences iX Cameras will be attending.

- 11th National Academic Conference On Experimental Fluid Mechanics, Tianjin, July 7-14. <http://www.cstam.org.cn/article/201609.html>
- The 2nd International Conference on Vibration & Energy Harvesting Applications, Shanghai, July 13 - 15. <http://veh2019.shanghaitech.edu.cn/>
- 27th International Colloquium on the Dynamics of Explosions and Reactive Systems, Beijing, July 28 - August 2. <http://www.icders2019.pku.edu.cn/index.htm>
- The Chinese Congress of Theoretical and Applied Mechanics (CCTAM 2019), Hangzhou, August 25 – 28. <http://cctam2019.cstam.org.cn/>
